

# City-wide Yard Sale, 2011 # \_\_\_\_\_

A business license is required for every day of the sale you will be in attendance and making sales whether planned or not (during set-up and tear-down if you allow people to still make purchases that is considered a business day). The cost is \$10 per day. If you already are a licensed business in Jacksonville you will not need this license. The licenses are color-coded in order to allow the enforcement officers the ability to determine at a glance if your license is valid. An original signature of the City Recorder must be affixed to the license to be valid.
