Transient Lodging Tax – Grant Information

The Jacksonville Transient Lodging Tax was established as a revenue source to assist local nonprofit organizations in promoting and advertising the City's cultural and tourist related activities, facilities and services, as well as to provide for City beautification, acquisition and construction of new cultural and tourist related facilities. Twenty (20) percent of the taxes collected by the City are made available for these purposes.

Applications for grants to nonprofit organizations must be submitted to the City offices and will be forwarded to the Jacksonville Transient Lodging Tax Committee. The committee is appointed by the Mayor and is responsible for monitoring ordinance compliance and accepting and reviewing applications for grants with recommendations submitted to the Jacksonville City Council.

Organization qualification, requirements and procedures for obtaining grants are in Chapter 3.20 of the Jacksonville Municipal Code. A full copy of this chapter can be obtained on the City website (www.jacksonvilleor.us) or by request at the City offices.

(C) The City and any lodging business or businesses may agree, under separate contract, to contribute a mutually agreed-upon amount, up to their respective five percent of funds collected each year, to a discrete fund for the purpose of marketing the City of Jacksonville as a whole in order to maximize the number of overnight stays. These agreed upon contributions would continue until such time that either one of the parties provides notice of withdrawal.
